# THE CAUSE

Valley Strong Credit Union is proud to present this signature golf tournament to continue our long-standing commitment to Children's Miracle Network Hospitals and the Lauren Small Children's Center at Dignity Health Memorial Hospital. Every dollar raised will help local children receive the critical medical care they deserve, right here in our community. Together, we're driving change that lasts a lifetime.

# WHY IT MATTERS

The Children's Miracle Network supports over 170 children's hospitals across North America, ensuring no child is turned away due to inability to pay. Locally, the Lauren Small Children's Center provides care to countless newborn and pediatric patients. The PICU, NICU and the acute care Bolthouse Family Pediatrics Department offer specialized services that our children need. The Lauren Small Children's Center is changing the face of healthcare for the children of Kern County.

# THE IMPACT

- \$1,000 funds a day of life-saving NICU care for a newborn.
- \$5,000 provides specialized mobility equipment for children with disabilities.
- \$10,000 supports innovative treatments for pediatric cancer patients.

Your participation helps save lives and continue to build a stronger, healthier future for local families.
